504 Includes bibliographical references and index.
520 The Robert T. Stafford Disaster Relief and Emergency Assistance Act (the Stafford Act) authorizes the President to issue major disaster or emergency declarations in response to catastrophes in the United States that overwhelm state and local governments. This book examines concerns expressed by policymakers and experts that current Stafford Act declarations are inadequate to respond to, and recover from, and presents the arguments for and against amending the act to add a catastrophic declaration amendment—Publisher's website.

Consult your physician before beginning any exercise or stretching program if you
have any health problems or injuries. Before engaging in these stretches, read the
entire book to become familiar with all the information. If you experience any pain
while doing these stretches do not continue to stretch.
See your physician before attempting the stretches again.

This publication is designed to provide accurate and authoritative information
in regard to the subject matter covered. It is sold with the understanding that the
author, publisher, editors, and distributors are not engaged in rendering
medical or professional service.
Did you get something different?

The Stark reality of stretching: for all activities and every sport focusing on the weight bearing muscles of the lower extremities.
